Come to the White Family Reunion to connect with your family and introduce your descendants to our amazing family story. Bring a dish to share for our potluck lunch and contribute an “antique” or other item of family interest to our fundraising auction. We will sing songs, explore the log cabin, enjoy a potluck meal, visit with cousins, play games, pose for the family group photograph, “pass the hat”, visit our ancestors’ graves on the hill, elect officers, and conduct a brief business meeting. *Please contact me if you have an idea for the reunion, an activity, talent, or family story you wish to share.*

You are part of a large historic family. Your ancestor, Joseph Sapp, was a Revolutionary War Patriot. Grafton White was born in Baltimore County, Maryland in 1752, and moved to Monongalia County, Virginia. A book about the descendants of William and Mary Darling White will be available at the Reunion for purchase.

If you haven’t been to the White Family Reunion in years because it’s too far or too expensive to go for a one-day event, consider this! Make it a more extended vacation! Come to “Almost Heaven” West Virginia for several days or even a week! West Virginia has lots of parks, recreation, and historic places to visit.

Woodview Place, Boise, ID 83702. Also, please send your family updates to Rebecca Bromley at the same address or via email at rsbromley@aol.com.
