Welcome home! It is great to connect with your family and introduce your descendants to our amazing family story. **Bring a dish to share for our potluck lunch and contribute an “antique” or other item of family interest to our fundraising auction.** We will sing our customary songs, explore the log cabin, enjoy a potluck meal, visit with our cousins, play games, pose for the family group photograph, “pass the hat”, hold our fundraising auction, visit our ancestors’ graves on the hill, elect officers, and conduct a brief business meeting.

You are part of a large historic family. Our genealogy has been traced and books have been written about it. You can even join the Sons or Daughters of the American Revolution because your ancestor was a Revolutionary Patriot. Grafton White was born in Baltimore County, Maryland in 1752, and moved to Monongalia County, Virginia, where he lived and died. A book about the descendants of William and Mary Darling White will be available at the Reunion for purchase.

This year, our cousin, **Charles R. Sheedy, Sr.**, a descendant of Daniel White, and Marshall District Delegate to the West Virginia House of Delegates, will present a citation from the **West Virginia Legislature** recognizing the **135th White Family Reunion**.

Please contact me if you have an idea for the reunion, an activity, talent, or family story you wish to share.

Although the COVID-19 Public Health Emergency is over, we know that many people continue to be affected, particularly seniors, people who are immunocompromised, and people with disabilities. Please wear a mask if you have been recently exposed and respect all those who wear masks.

Even if you can’t attend this year, you can support the continuity of the Reunion by sending your contribution, payable to the White Family Reunion, to our Treasurer, Michael Bromley, at 2785 N. Woodview Place, Boise, ID 83702. Also, please send your family updates to Rebecca Bromley at the same address or via email at rsbromley@aol.com.
